Commissioner for Patents

Attached is a second copy of the IDS filed July 13, 2007. A first copy was mailed to Applicant with the Office action of October 1, 2007, however, Applicant's representative, Gary Tanigawa, informed the examiner that the foreign patent document (DE 19525784) had not been initialed and indicated as having been considered. This second copy of the IDS indicates that the foreign patent document has been considered.
